STEULER-KCH from Siershahn is among the TOP 10

Maradona, Pelé, Matthäus and Netzer – these football legends played with the number 10 on their shirts. Current stars like Neymar, Messi and Mané also have the shirt number 10. This number is reserved for winner types. And it is also the same in the swimming pool industry: Only "TOP dream realizer" get the TOP 10 medal of the international pool competition bsw award – after all, the number 10 stands for of perfection and completion.

And the company STEULER-KCH GmbH Pool Linings in Siershahn can now proudly wear the 10 because it is awarded with a plaque of this year's "Swimming Pool Oscar". STEULER-KCH made it with a hotel swimming pool on the top list of the most beautiful swimming pools and whirlpools of the Bundesverband Schwimmbad & Wellness e.V. (bsw).

Every year an independent jury, which consists of consumers and experts for construction, design, technology, architecture as well as garden and landscape design, selects the best private outdoor pools and indoor swimming pools, hotel facilities and whirlpools. Also renovation services by swimming pool contractors are honoured under the headline "Before – After". Around 300 objects from seven countries took part in the 2019 bsw Award.
