

Supplier Information for Export Control

Version 170228

Name, supplier's residence:

Inquiry/Order No.:Order No.:

Description of goods:

.....

.....

This letter is integral part of the a. m. inquiry/ order. Please complete and return it to us together with your quotation/ order confirmation.

As you know, the export of goods and technologies can be subject to restrictions required by the EC Dual-Use Regulation, the German Foreign Trade and Payment Regulation (AWV) or for goods originating in the US by the US Export Administration Regulations.

General notes given in quotations, order confirmations, invoices and shipping documents are not sufficient. We therefore ask you to provide the additional information for each article (please copy this form if required):

1. For all products originating in Germany, in the EC or in third countries (except the United States of America)

a.) Custom tariff number (HS-Code)

b.) Specific weight

c.) Does the product you offer/ deliver require an export licence according to the German Law or EC Law?

yes ☐

no ☐

unknown ☐

d.) If yes, to which item from the export list does the product belong?

Export list number

2. Origin of goods

USA?

yes / no

3. If it is about a „chemical product“: Does the Commodities Control Act apply to this product?
yes / no

4. Please attach a copy of the following documents:

Certificate of origin or movement certificate or supplier's declaration

.....

Place, date, name, signature
